

NRS MEMORIAL FOUNDATION IN THE NEWS

Official Nyra R. Shaw Memorial Foundation Newsletter

Our Mission: *To assist students from various backgrounds and low-income households with financial support for their dreams of attending an undergraduate Historically Black College or University (HBCU), in order to sustain a successful college experience.*

Our Vision: *Through this generosity of giving to others, we hope to encourage young adults to continue supporting and giving back to their communities, organizations, or charities of their choice as successful young professionals in the world.*

SPOTLIGHT JADY B.

Written by Terrie Shaw

Jady's HBCU college journey.

Jady is currently at Clark Atlanta University, an HBCU within the Atlanta University Center, where she is pursuing a bachelor's degree in Theatre Arts. In her first semester alone, she has been cast in a major AUC theatre production, performed at CAU's Convocation Ceremony, and gained hands-on experience both onstage and behind the scenes as a performer and light technician. She is also a member of CAU's Essence Dance line, performing at home and away games, professional sporting events, and special collaborations, while representing the university in creative and leadership roles. These opportunities, made possible in part through scholarship support, have allowed her to fully engage in the academic, cultural, and artistic excellence that defines her HBCU experience.

TO OUR SCHOLARS

Written by Sheryce Goodwin-Mundy

*Education breeds confidence.
Confidence breeds hope.
Hope breeds Peace.*

Confucius

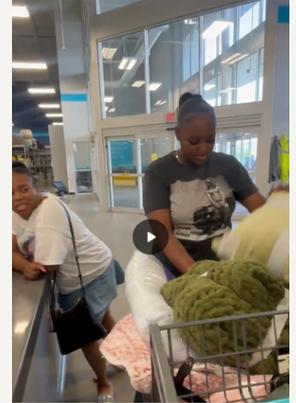

Stepping Into Your Greatness

Engineering, golf, finance, gymnastics, computer science, tennis—these are just a few of the academic majors and collegiate sports thriving at HBCUs today. Our institutions reflect the fullness of our brilliance. We belong everywhere, and we continue to create, innovate, and excel across every arena. This Black History Month, we pause to honor our trailblazing ancestors—those whose courage and sacrifice made these opportunities possible. Listen closely as their legacy calls you forward. With heads held high and purpose in your steps, honor them by boldly pursuing your dreams and stepping into your greatness.

Best Regards,
NRS Board and Officers

PATHWAY WORKSHOP DORM PRIZE SHOPPING SPREE

Through our partnership with United Way NRS held several workshops that awarded prizes for those in attendance for at least 2 workshops. Jada won \$500 for dorm supplies. Jada is attending University of Cincinnati and we went out to purchase supplies and decoration for her room. we were. Check out some of the fun we had supporting Jada into this new chapter of her life.
